

# Accessibility

The Bilborough College website has been designed and built to provide accessibility to the widest possible audience, regardless of technology or ability. It adheres to many of the available standards and guidelines and confirms to the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines 2.0.

Whilst the website will strive to adhere to the accepted guidelines and standards for accessibility and usability, it will not always be possible to do so in all areas of the website. We will aim to match the guidelines as closely as possible.
