**CLASS OF 2005-7**

## **WHERE AM I NOW?**

I am working as a Senior HR Assistant in London, working mainly on recruitment but also other areas of HR (e.g. Employee Relations, Absence, Learning & Development and Well-being).

## **A LEVEL QUALIFICATIONS AT BILBOROUGH**

Biology, Psychology, Religious Studies, General Studies.

## **WHERE I WENT AFTER BILBOROUGH**

I took a gap year and worked as a ski instructor in Canada, before going to Durham University to study Philosophy.

## **MY MEMORIES OF BILBOROUGH**

Bilborough College helped me in a number of ways. I never would have studied Philosophy at University if I hadn't enjoyed it so much as part of Religious Studies A Level and I also had the opportunity to be part of the Philosophy AS Level pilot group.

## **MY ADVICE TO YOU...**

I think it's important to do what you feel is right for you and to stick to what you enjoy doing, especially if you're unsure of what to do next (like I was). There's plenty of time to figure out your next steps and Bilborough provides lots of support along the way. Make the most of the opportunities on offer at Bilborough, work hard and most importantly have fun!
