A LEVEL QUALIFICATIONS AT BILBOROUGH

WHERE I WENT AFTER BILBOROUGH

Ravensbourne University, was great for the contacts and work placements.

MY MEMORIES OF BILBOROUGH

A thorough grounding in film theory and use of cameras/editing software. Great teachers! I also thought the enrichment was great fun too. Also my choice in Uni was down to sound advice from a teacher which set me up for the rest of my career so that was a great help.

MY ADVICE TO YOU...

Work hard and be nice to people. Also jump at any opportunity which comes your way.
