I am preparing for my first term at the University of Cambridge, studying natural sciences at Jesus College.

A LEVEL QUALIFICATIONS AT BILBOROUGH

Maths, Physics, Chemistry, Biology.

MY MEMORIES OF BILBOROUGH

The support I received from Bilborough College was invaluable. The support and motivation I received from my teachers helped keep me going. The support I received for applying to university really helped me in all aspects, from my personal statement, to my interview.

MY ADVICE TO YOU...

Make use of all the resources available to you, subject support sessions are so important to attend as the extra one on one time with the teacher, at the expense of ten minutes of your lunch time, will be worth it in the end when you get the grades to do anything you want to do in life.

So taking every opportunity and making the most out of all the resources available is the best advice I can give to anybody.
