MY MEMORIES OF BILBOROUGH

I studied at Bilborough College for 2 years and whilst there loved every minute of it! I feel Bilborough College gave me an excellent foundation for my degree and prepared me well for what was to come at university.

MY ADVICE TO YOU...

The key is NOT to give up and chip away at the work. I genuinely feel that I would not have been able to achieve any of this without the support of Bilborough College staff and the courses which I studied. Regardless of what course you study you will be able to take away skills and a way of thinking, beneficial in whatever career you want to pursue.
