

JAMES POLLICOTT
CLASS OF 2011-13

WHERE AM I NOW?

I work in the audit department for KPMG's Nottingham office, as part of a school leaver's programme that will allow me to obtain a degree with Exeter University, and Chartered Accountant status with ICAS over the next 6 years.

A LEVEL QUALIFICATIONS AT BILBOROUGH

Maths, Business Studies, Economics and General Studies

MY MEMORIES OF BILBOROUGH

Having these kinds of programmes regularly advertised (by the Careers Department) helps to increase awareness, and encourages students to apply. I also feel that the teachers push for the best in students, and that allowed me to perform as well as I did.

MY ADVICE TO YOU...

Although it's possibly too early to start considering what you want to do for the rest of your life at 16, Bilborough College gives you plenty of information during your 2 years there in order to allow you to make informed choices to set you in the right direction.
