FINANCIAL SUPPORT

Are you:

- A care-leaver?
- A young carer?
- A young parent?
- Living independently?

If you fall into any of the categories above you will automatically be entitled to apply for maximum financial support through the **16-19 bursary scheme**.

This can help you with the cost of studying at College, by covering the cost of transport, meals in college, essential trips and any specialist equipment required for your subjects.

All of our staff are here to support you and help you succeed, so talk to us if you need help with any aspect of college life!
