

# **Bilborough College**

## **Meet the Governors**

### **Governor Profile**

#### **Scott Cowie** **Independent Governor**

Scott has a vested personal interest in Bilborough College, having graduated from the college as recently as 2010 and gaining three A Levels in Accounting, Business Studies and Music Technology. He has since gone on to earn a First Class degree in Accounting & Finance from Leeds Beckett University in 2014, and is now a fully qualified Chartered Accountant under the Institute of Chartered Accountants of England & Wales (ICAEW), working for PricewaterhouseCoopers LLP (PwC) in their Audit practice since graduation from University. The skills gained from being an auditor enables him to heavily scrutinise financial and non-financial information presented to him relating to the College. Scott has a passion for education and wellbeing, which he has put into practice having previously held the roles of Student Ambassador at Leeds Beckett University and President of the Nottingham Chartered Accountant Students' Society. Scott became a parent for the first time in February 2020 with partner Paige, and hopes to pass on his other passions for music (and playing the drums), football (Leeds United) and rugby league (Leeds Rhinos) on to his son. Ultimately, he feels by using his skills and experience, he can give something back to the college that set him up on his journey to where he is today.
