

What is Bilborough Xtra

Bilborough Xtra offers you a wide variety of clubs, societies, enrichment activities, sporting events and trips to enrich your time at the college, make new friends and have fun!

Many of the activities you can take part in while you are at the college can gain you recognised awards, certificates and even UCAS points towards university places.

With over 60 enrichment activities per week you really are spoilt for choice. We have a range of societies so you can meet like-minded individuals including LGBTQ, Politics Society, Islamic Society, Christian Union, Afro Caribbean Society, and more.

We also run the prestigious Gold Duke of Edinburgh Award or perhaps you would like to learn sign language or gain a certificate in 1st Aid. Many of our students benefit from taking part in our bespoke National Citizen Service and the Trinity Gold Arts Award. Make sure you keep an eye out for more information on all of these in September.

Throughout the week at lunch time there are many clubs and activities you can join, and our Help the Homeless and Friends of the Earth groups hold regular fund-raising events.

Throughout the year we collaborate with the Student Exec to celebrate diversity across the college and fundraise for local charities.

By attending enrichment activities, you will be entered for our passport reward scheme where you can win cash prizes. We also have a fantastic app you can download for free and receive regular updates on all our events, college information and free give-aways.

The activities in the Bilborough Xtra programme have been especially selected to help build your employability skills and complement your A level and BTEC studies.

If you would like any further details on any enrichment activities we offer or would like to run one of your own please email the team at enrichment@bilborough.ac.uk

Make sure you keep an eye out for the new enrichment programme in September and don't forget to download the app!
