Introducing Our Bus Service

Bilborough College provides a heavily subsidised, dedicated and reliable bus service for students. The bus service covers areas of Nottinghamshire and Derbyshire, thereby making the college accessible to students from a wide catchment area.

The College offer this service in partnership with Skills Motor Coaches. Skills have a history of over 90 years' experience in passenger transport across the East Midlands. This family firm continues to provide Bilborough College with a high level of service and reliability.

Staff at college can help with the bus services and can be contacted on 0115 8515000 or reception@bilborough.ac.uk if you have any further queries.

How to buy a pass

If you wish to apply for a bus pass, then you need to log into the College's Wisepay system accessible from the home page of the college website. Bus passes are under the College Shop tab –College Bus Passes. Select the appropriate zone (either payment in full or by Direct debit) and then select your route from the drop-down menu. **Please ensure you purchase the correct zone for your stop.**

Second year students can apply for a bus pass anytime during the summer term.

New students are encouraged to apply when they enrol at the college in August. Details of how to access Wisepay is provided at enrolment.

The cost of the bus passes and details of payment options are detailed on the following pages.

An 'early bird' discount of 10% is offered to those who opt to **pay the full cost by 16th September**. You can pay by Direct Debit if this is more convenient. If you opt to pay by direct debit, then the 1st payment should be made via Wisepay.

Students entitled to a college bursary (household incomes of less than £25,000) are usually provided with a pass as part of their bursary entitlement.

Zones and Pricing

The College does not pass on the full price of the dedicated college bus travel to students.

Bursary students* will have the full cost of their bus pass covered by bursary funding. All non-bursary students have this year had the cost of their dedicated college bus pass subsidised by at least 50% of the true cost of the pass. The price list below outlines the cost of the passes for the academic year 2020-21 and include the college subsidy.

All college routes have been zoned by distance and travelling time and priced accordingly. A bus pass covers morning and afternoon journeys to and from college for the full academic year (term time only) including study leave and exam periods.

Students are expected to pay for travel for the full academic year, proportional bus passes are not available, however students wishing to use the bus occasionally can purchase single journey tickets from Student Support priced at £2.50 per single journey.

TERMS AND CONDITIONS FOR USE OF THE COLLEGE TRANSPORT SERVICE

By signing up for a bus pass all bus users are agreeing to abide by the following terms and conditions:

- Students **must** show a valid bus pass on every journey
- Students are expected to arrive at their bus stop at least 5 minutes before the timetabled time and must flag the bus down.
- Students are expected to behave in a respectful manner towards the driver, other students and the vehicle. Unacceptable behaviour (this includes loud music, messing around on the bus) could result in disciplinary action and/or withdrawal of the bus pass and payment for the repairs for any wilful damage caused to the vehicle.
- The Bus pass agreement may not be cancelled (unless there are very exceptional circumstances) and payment will be collected for the full academic year.
- If you choose to pay for the bus pass by direct debit, please be aware that if you fail to pay any instalment by the due date **the full outstanding balance will become immediately payable and must be paid within 7 days of our demand.** Unpaid accounts may be passed to solicitors for debt collection and students will not be permitted to travel on college transport. If you anticipate difficulties in making payments, please contact us as soon as possible.
- Please note that whilst you can expect a reliable and friendly service, roadworks, traffic conditions, weather etc. are beyond our control
- If you feel that the service has not been satisfactory, then please report your comments to the reception team in the Main Reception who will liaise with Skills to resolve the issues.
- Occasionally it may be necessary to alter routes, pick-up points and timings. As much advance notice as possible will be given, students will be notified via text message and email and details will be updated on the website.
- **Please note that it is not possible to obtain a refund on a bus pass**
- **Please note that it is not possible to purchase a bus pass for part of the year**

IMPORTANT – COVID 19 prevention measures

To minimise the risk of infection, the college and Skills Motor Coaches have discussed and agreed the following measures:

FOR STUDENTS:

- **Students travelling on dedicated transport to/from college are required to wear a face covering (in line with government guidance on use of public transport) this does not apply to students who are exempt from wearing a face covering on public transport.**
- **Students must sanitise their hands on boarding the vehicle**
- **Students may not sit behind the driver**
- **Students must fill seats from the rear of the bus forward.**
- **Students must leave the bus from the front seats first, working back towards the rear seats.**
- **If the bus is a double decker, students will first take the seats at the back of the bus on the top floor filling forward to the lower deck, again filling from the back of the bus.**

FOR SKILLS DRIVERS:

To avoid close contact with the driver when boarding / leaving the vehicle drivers may alight whilst students are boarding/leaving the vehicle (depending on the configuration of the vehicle).

At the end of every journey, drivers will wipe down all interior hard surfaces, and vehicles will also be fogged on returning to the depot.

College Link Buses

From September 2020 the **Nottingham Link** will operate a reduced service, according to the timetable below. The college is committed to providing this service until October half term, when we will review whether to continue to operate this service. If by October half term we are confident that alternative routes to college are viable and efficient, we will withdraw the service at that point.

Passes for this service are only available to those year 13 students who held a pass last academic year.

Please see the college website for information on public transport alternatives for this journey for which we would recommend the 28, 35 and L2 services.
