Frequently asked questions (FAQs)

Blended Learning weeks.

BLENDED LEARNING TIMETABLE

The blended learning timetable runs from Thursday 10th September to Wednesday 23rd September. For each week of the 2-week blended learning timetable students will have in every subject...

- 1 x Face-to-face lesson (1.5 hours).**
- 2 x Remote learning lessons (3 hours)**
- Plus homework (5 hours)**

Y12A and Y13A will have their face to face lesson in the yellow blocks
 Y12B and Y13B will have their face to face lessons in the blue blocks

In the red blocks, students in some practical subjects will be invited to come into college to do practical work.
 Students in other subjects will be told to participate in a remote lesson on Microsoft TEAMS.
 Any student can come into college to work in the red blocks provided that they go to the designated study spaces for their bubble.

It is vital that Y12 students in particular use this time to get to grips with remote learning technology in case the country is forced into some sort of lockdown later in the year.
