

Bilborough College Meet the Governors Governor Profile

Danielle Pritchard

Danielle is passionate about getting positive outcomes for young people and helping them to reach their potential. Danielle worked for Nottingham City Council where she has taken on extra roles of Autism Champion and Mental Health Champion for her team. Danielle is a former Bilborough student who went on to study for a degree in History. Until recently she was a Parent Governor at a local secondary school. She has a daughter who is currently studying at Bilborough and her son is studying at Nottingham University. Danielle loves football and is the Player/Manager of a local ladies football team. She also enjoys musical theatre and loves to support local dance/drama performances.
