**Zameer Syed, MBA**  
**Director, Cooper Research Technology Limited.**

Zameer is a specialist in digital and traditional marketing strategies and is currently working as the Marketing Director for a Ripley-based asphalt testing equipment manufacturing company. He completed his MBA at the Robert Gordon University, Aberdeen, and has since worked with a number of businesses in the UK as a management consultant and marketing strategist.

Zameer has also mentored and closely worked with apprentices, as he passionately believes that good education and skills-training can truly transform individuals' lives for the better, and benefit the communities. Zameer was a governor at Ellis Guilford School & Sports College between 2016–2018.

He lives in Gedling with his wife and daughter, and equally enjoys family time indoors, as he does spending days out in the nature with them.
