

Dear Parent/Carer

We are now halfway through the first half term at Bilborough College and students seem to be settling in well. We look forward to working with you to ensure that all our students have a positive experience at Bilborough College and use their potential to the full, to prepare themselves well for the future.

### **Parents'/Carers' Introductory Online Event**

We experienced a successful Parents' and Carers' Introductory Evening, 20<sup>th</sup> September, with a high attendance rate. Myself and David Shaw, Principal, gave a brief presentation about Bilborough College and the support available for students, focus included transition issues from GCSE to A Levels / BTEC level 3 and how we - parents and staff working together - can support young people through the process. After the event, many parents joined a second meeting with their young person's tutor, for general tutoring information, some made an appointment to discuss other more personal issues. We were delighted that you attended, and we have published the FAQs from this event on the college website.

If you were unable to attend, [please click on this link](#) to access a recording of this online event and FAQs.

If you have any queries or concerns and would like to discuss your young person with your child's tutor, please email them directly
