

ALL STUDENTS - Online Learning Day 24th January

Dear Student,

On the 15th December a bulletin was emailed to all parent/carers and students, notifying you of key dates and events. One of those key events was the **Online Learning Day for All Students**, this is taking place on **Tuesday 24 January**. It is a teacher INSET day and the College is closed to all students (except those sitting external exam). However, there is an expectation that **ALL Y12 and Y13** students attend both online events below, these will be hosted by external speakers. Please see the timetable below with timings and a joining link. Students accessing these sessions are automatically placed on an attendance register. During online learning please be respectful of other users in the language that you use and chat room behaviour. A reminder will be sent out in the morning of Monday 23rd Jan

24th January Online Lessons for ALL students
