

Q&A – LGBTQI Online safeguarding event

1. Are you going to do further session?

Damian is happy to do further sessions, please add any addition requests to the parent/carer voice link below, or you can find this link in the half termly safeguarding bulletin.

2. Is there opportunity for parents and carers to access support 1-2-1 in college?

Concerns can be addressed by contacting a safeguarding officer. In addition, safeguarding officers will signpost external support for families, if this is required. Students are offered a named LGBTQI designated person in college, Damian Higgins, who provides a safe space for 1:2:1 support for students to discuss concerns.
