

EXAM RESULTS DAY: THURSDAY 15th AUGUST

As results day is fast approaching, here's a reminder of the important information to help you prepare for the day and navigate your options.

The key points to note are as follows:

- Exam results will be emailed to students at 8am
- Results will also be available to view on Cedar
- Students can come into college to collect a printed copy of their results slip from 8am
- There will be rooms and quiet spaces available for those needing support or wishing to contact universities

PLEASE NOTE: certificates are not issued by exam boards until after the post results season. They will be available to collect from college later in the year (usually early December). We will email details of this closer to the time.

For those students who are holding university offers, UCAS Track will open at 8am. You'll be able to see the status of your offers, but not your actual results. If you are holding an offer for an apprenticeship, you will need to provide evidence of your results to your employer – they should have given you information on how to do this.

UCAS has a set of detailed guides which explain what happens on Results Day:

<https://ultimateguides.ucas.com/resultsday/> - learn how to interpret your application status, and what action you should take next

<https://ultimateguides.ucas.com/makethemostofclearing/> - if you didn't get the results needed for your firm or insurance choice, you'll be entered into Clearing. You can also release yourself into Clearing if you did better than expected, and want to apply to a different university (but speak to College first!). This guide explains all your options.

Attached is further helpful information:

- [Our guide to Clearing and Clearing Plus.](#)
- The JCQ guide for students who feel there may be an error with their mark. Fuller details can be found here: https://www.jcq.org.uk/wp-content/uploads/2024/04/Post-Results-Service_24_FINAL.pdf

Staff will be in college on results day to offer support and guidance should you require it.

Have a great summer, and we wish you all the best for results day.
