How to buy a digital bus pass

The college does not issue plastic bus passes. Students have a pass on their smartphone. Passes are managed by Skills Motor Coaches using an online platform or app. Passes can only be purchased online, either using the **Search my Coach** app or the booking link provided below. If you need a bus pass, you are strongly advised to purchase one as soon as possible.

The Skills app **Search My Coach** or the online portal stores your pass to be scanned by the driver and this lets you track the service to keep you up to date on journey times.

Please follow the link to the **Skills online booking platform**: <https://smc.skills.co.uk/> or use the Skills app which can be downloaded on android or iPhone:

Android: <https://play.google.com/store/apps/details?id=com.skillsmobile.group>

iPhone: <https://apps.apple.com/gb/app/search-my-coach/id1572231477>

If you have any questions or are having any issues with registering or making a booking, please call Skills on 0115 6482303 Monday – Friday (09.00 -17.00) and their booking team can assist. Otherwise, you can email smc.bookings@skills.co.uk and one of their team will be in contact.

Staff at college can also help with enquiries about the bus services and can be contacted on 0115 8515000 or reception@bilborough.ac.uk

Any student who attempts to use the college bus without a pass or ticket will be subject to the college's disciplinary procedures. Drivers will refuse to carry passengers who do not have a valid pass / ticket for the journey they are making.

Zones and Pricing 2024 - 2025

New students who need a pass are encouraged to apply when they enrol at the college. A discount of approximately 10% is available for payment in full made at enrolment or by the start of term. Alternatively, payments can be made in three monthly instalments as set out below. The initial payment will be made online by credit or debit card to secure a pass, and the instalments will be collected automatically when due.

Students receiving a college bursary (household incomes under £29,000*) usually have a pass as part of their bursary entitlement (more information www.bilborough.ac.uk) or request details at enrolment.

Routes are zoned by distance and priced accordingly. A pass covers morning and afternoon journeys for the full academic year (term time only) including all study leave and exam periods. These prices are for a place on the bus for a full academic year and refunds are not available.

Students using the bus occasionally may purchase day tickets online (from £3.25 - £6.75) subject to availability, as annual pass holders take priority. Tickets must be purchased before boarding the bus and tickets must be scanned by the driver.

TERMS AND CONDITIONS FOR USE OF THE COLLEGE TRANSPORT SERVICE

By using the college bus service, all passengers are agreeing to the following terms and conditions:

Students must scan their pass for every journey and wear their college lanyard with ID so the driver knows they are a Bilborough Student.

Students must arrive at their bus stop at least 5 minutes before the timetabled time and flag the bus down. As far as possible regular drivers will be on the routes, but occasionally driver absence means a change and the driver may not recognise you.

Students must behave respectfully towards the driver, other students and the vehicle. Unacceptable behaviour (such as loud music, messing around on the bus) could result in disciplinary action and/or withdrawal of the bus pass and payment for the repair of any wilful damage caused.

If you pay for the bus pass in instalments, payments must be made by the due date. If you fail to pay an instalment, the full outstanding balance will become payable within 7 days. Unpaid accounts may be passed to solicitors for debt collection and students will not be permitted to travel on college transport. If you anticipate difficulties in making payments, please contact us.

Please note that whilst you can expect a reliable and friendly service, roadworks, traffic conditions, weather etc. are beyond our control. Occasionally it may be necessary to alter routes, pick-up points and timings. As much advance notice as possible will be given, students will be notified via text message and email and details will be updated on the website.

If you feel the service has not been satisfactory, please report your concerns to the College Reception who will liaise with Skills to resolve the issues.

Please note that bus passes are for an academic year, it is not possible to purchase a bus pass for part of the year.

Please note - Route 1 (Tibshelf – withdrawn from September 2024, Route 4 will be extended to pick up all Route 1 stops.
