

Dear Parent/Carer,

Bookings for the Year 13 Consultation Meetings on **Tuesday 25 February** and **Wednesday 5 March** are now open. These online appointments offer students and parents/carers the chance to discuss progress and explore support strategies with curriculum teaching staff.

Booking Link: <https://bilboroughcollege.schoolcloud.co.uk>.

Parent Login: 1234 5678

Student Reference: BXXXXXX

We recommend using automatic booking once you have logged in and ask that you only book with **one teacher per subject**.

Instructions for adding an additional parent/carers into the appointment can be found on the college website <https://bilborough.ac.uk/for-parents-and-carers/documents/>

Each appointment is limited to five minutes to ensure all students and parents/carers have the opportunity to meet with staff. We understand this may feel brief, but with teachers supporting multiple groups, it is the most effective way to accommodate everyone. If you require further discussion about progress or support, please feel free to contact the subject teacher or SP (tutor) teacher via email following the Consultation Evening.

The college timetable on Tuesday 25 February will be adjusted and college buses will leave earlier to enable students to be home in time for appointments.

For further questions please contact consultation.evening@bilborough.ac.uk.

Kind regards

Jill Hay

Assistant Principal Student Progress
